Preauthorization to Treat Minors

It may be more convenient to have prior authorization in place so that medical care may be delivered directly to minors if a parent or legal guardian cannot be present prior to treatment. This may include, but is not limited to, a grandparent, babysitter, or family friend. Please be advised that protected patient health information may be shared with the proxy to whom the right to consent has been delegated to facilitate informed decision making. Please also note that the person bringing in the child is responsible for payment.

□ I authorize Coastal Pediatrics and it's personnel to provide medical care to this child in my absence. Initials

Financial Policy

We are doing everything possible to hold down the cost of medical care. You can help a great deal by eliminating the need for us to bill you. The following is a summary of our payment policy.

PAYMENT IS EXPECTED AT THE TIME OF SERVICE

Payment is required at the time services are rendered. This includes applicable coinsurance, deductibles and co-payments for participating insurance companies. Co-payments will be collected at the time of check-in. Coastal Pediatrics accepts cash, personal check (in-state only), VISA, and MasterCard. There is a \$30.00 charge for returned checks. Patients with an outstanding balance for more than 60 days must make arrangements for payment prior to scheduling an appointment. We realize that people have financial difficulty. Therefore, we may advise that due to your financial situation you seek your child's immunizations and/ or medical care through a public health clinic or the Chatham County Health Department.

The parent/guardian that brings the child in for treatment is responsible for payment. This includes divorced parents, grandparents, babysitters, etc. There are no exceptions.

INSURANCE:

We bill participating insurance companies as a courtesy to you. Therefore, we will request a copy of your insurance card at **each** visit. Please understand that insurance is a contract between you and your carrier. Therefore, you are ultimately responsible for your bill. **You are responsible for knowing the coverage, limitations and exclusions specific to your insurance policy,** *particularly concerning vaccinations and lab tests.* If charges have been filed and we have not received a payment from your insurance company within 45 days of the date of service, you will be expected to pay the balance in full. You will be expected to contact your insurance carrier for explanation of why payment is delayed. If you need assistance paying your account, please speak to the receptionist.

MEDICAID/PEACHCARE:

Medicaid and PeachCare insurance plans (Wellcare, Amerigroup, CareSource and Peach State CMOs) are not accepted as primary nor secondary insurance.

MINOR PATIENTS:

A parent or guardian must accompany all minors before treatment can be provided.

REFUNDS:

Overpayments will be refunded upon written request to the responsible party within 30 days.

MANAGED CARE:

If you are enrolled in a managed care insurance plan (i.e., HMO), you must receive a referral from our office before seeing a specialist.

MISSED APPOINTMENTS/LATE CANCELLATIONS:

Broken appointments represent a cost to us, to you and to other patients who could have been seen in the time set aside for your child. We ask that you kindly give 24 hour notice for cancellation of your appointment. Three missed appointments in a family will result in discharge from this practice. First appointments missed by new patients will not be rescheduled.

I have read and understand the Coastal Pediatrics Financial Policy. I agree to assign insurance benefits to Coastal Pediatrics whenever necessary. I also agree that if it becomes necessary to forward my account to a collection agency, in addition to the amount owed, I will be responsible for any legal and/or collection fees.

Patient Consent for Use and Disclosure of Protected Health Information & Receipt of Practice Privacy Policy

I hereby give my consent for Coastal Pediatrics to use and disclose protected health information (PHI) about me/my child to carry out treatment, payment and healthcare operations (TPO). Examples of such instances include, but are not restricted to: your medical insurance carrier, physicians to whom your child is referred, school health officials, etc. Coastal Pediatrics' Notice of Privacy Practices provides a more complete description of such uses and disclosures.

I have the right to review the Notice of Privacy Practices prior to signing this consent. Coastal Pediatrics reserves the right to revise its Notice of Privacy Practices at any time. A copy of the Notice of Privacy Practices may be obtained at any time by forwarding a written request to Coastal Pediatrics' privacy officer at 2 Wheeler Street, Savannah, GA 31405.

By signing this form, I acknowledge receipt of the office Notice of Privacy Practices. I also consent to allowing Coastal Pediatrics to call, email, fax or mail my home or any other alternative contact point I provide and leave a message on voice mail, in person or in writing, in reference to any items that assist the practice in carrying out TPO, such as appointment reminders, clinical care (including test results) and insurance issues. I understand that I have the right to request that Coastal Pediatrics restricts how it uses or discloses my PHI to carry out TPO. The practice does not have to agree to my requested restrictions, but if it does, it is bound by the agreement. All requests for restrictions must be submitted in writing.

By adding names to the bottom of this form, I agree that they are allowed to receive PHI in the same manner as described above (with the exception of information relating to STD, HIV/AIDS, pregnancy testing and records relating to drug, alcohol or mental health treatment, which all require an additional release).

I may revoke my consent in writing, except to the extent that the practice has already made disclosures in reliance upon my prior consent. I understand that if I do not sign this consent, or later revoke it, Coastal Pediatrics may decline to provide treatment to me/my child.
